Join the PTA

Last chance for 2017

Your help is needed.

Did you know that children whose parents are involved at school achieve better grades and have fewer disciplinary problems? PTA is a great way to get involved.

Did you know Parent groups are an integral part of our school? We provide support to teachers and staff, create a supportive atmosphere, and raise funds for important programs that wouldn't exist otherwise. Students' favorites include Art Masters, Educational Assemblies, Learning Garden, Performing Arts, Health/Wellness Activities, and Red Ribbon Week.

Did you know that joining the PTA is a great way to know what is going on at Red Hill? You'll hear about important decisions and changes. You'll get to know other parents and teachers and be better connected to our school community.

Did you know YOU can use your strengths or skills for a great cause? The goal is to create the best educational environment possible for all our children.

It's not too late to make a difference. We need involved parents like you.

We even have a few extra directories!
