

School Accountability Report Card

Reported Using Data from the 2010-11 School Year

Published During 2011-12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010-11)

This section provides information about the school, its programs and its goals.

Thorman Elementary creates a positive learning environment with a strong academic focus for all students by setting high expectations based on state standards and assessment results. Our goal is to assist every child achieve their highest level of academic proficiency. This is reflected in our Passion Statement:

"Thorman Elementary School will achieve a common vision of developing success in every child's future, building personal confidence and passion for reading and learning through a commitment to collaborate and work as a team of students, parents, and staff."

Opportunities for Parental Involvement (School Year 2010-11)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Teachers, parents, and students work together as a team to achieve the common vision of motivating life long learners in a safe and well organized environment. Our parent community is served by a full time bilingual community liaison and all stakeholders work in partnership to support student learning at Thorman Elementary. Our parent community is involved in advisory and decision making positions through participation in the School Site Council, the English Learner Advisory Committee, and the Parent-Teacher Organization. Families are committed to a five volunteer hours sharing their time and talents in the classrooms, in the office, and providing support for extra curricular events. Teachers communicate student progress in all curricular areas and social development on a regular basis via our weekly Thursday folder, parent/teacher conferences, and monthly newsletters to keep parents current on the latest activities at Thorman Elementary.

III. School Climate

School Safety Plan (School Year 2010-11)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The safety of students and staff is a primary concern of Thorman Elementary School. Staff reviewed and revised the safety plan on October 19, 2011 and School Site Council updated and approved the plan on October 19, 2011. Monthly emergency drills are held to practice various situations the school may face including fire, earthquake and other emergency drills. A comprehensive school plan with teams of staff members trained for specific duties is in place and a mock disaster drill is implemented on an annual basis for practice and continued training. Our school safety plan includes the following elements: child abuse reporting procedures, disaster procedures, routine and emergency (SEMS); suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; sexual harassment policy; provisions of schoolwide dress code; procedures for safe ingress and egress; and orderly environment; rules and procedures on school discipline; and school safety goals and objectives. Emergency radios with connections district-wide as well as bands to surrounding districts and emergency support from local sheriff and fire departments were added to school safety equipment this year. The school is a closed campus and all visitors and volunteers must sign in at the front office and wear a "visitor" badge while on campus as a form of identification.

Suspensions and Expulsions

Rate	School			District		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
Suspensions	4.14	0.53	1.35	4.62	4.38	4.87
Expulsions	0	0	0.13	0.18	0.19	0.15

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: August 2011

Thorman Elementary School provides a safe, clean environment for students, staff, and volunteers. A staff of two full time custodians are on duty and a scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are adequately maintained. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Regular monitoring of school grounds before, during and after school is performed by assigned staff. Thorman students, staff, and parents are proud of their school and campus beautification days are scheduled to improve and enhance the appearance of our campus. The facility inspection upon which this report was generated was completed on August 9, 2011.

School Facility Good Repair Status (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

Indicator	2009-10	2010-11	2011-12
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

** "Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010-11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100	0
All Schools in District	99.52	0.48
High-Poverty Schools in District	99.03	0.97
Low-Poverty Schools in District	99.85	0.15

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2010-11)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	0
Counselor (Social/Behavioral or Career Development)	.4	---

Psychologist	.2	---
Social Worker	0	---
Nurse	.2	---
Speech/Language/Hearing Specialist	.8	---
Resource Specialist (non-teaching)	1	---
Other	.8	---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2011-12)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: September 2011

The Tustin Unified School District Board of Education verified by resolution that each student at Jeane Thorman Elementary School has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State Board of Education on October 10, 2011.

A William Visit was conducted by the Orange County Department of Education on September 23, 2011 and Jeane Thorman Elementary School was found in compliance by the review committee.

State	---	---	\$5,455	\$69,207
Percent Difference: School Site and State	---	---	-28.05%	8.56%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

** **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2010-11)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

District school site expenditures covered basic expenditures for teachers, instructional supplies, textbooks, school site administrators, and clerical staff. The following categorical funds were used to augment Thorman School: Economic Impact Aid (EIA), Title I, Lottery, and Tier III.

The majority of site categorical funding is used for extended learning time, for student interventions, staff development, and personnel costs. Staff development is focused on targeting skill instruction and providing in-services on research based best practices in the core instructional areas. Personnel costs include instructional aides who provide classroom support during reading instruction, a part time School Counselor, Computer Aide, Health Aide, and Community Liaison. Supplemental materials to address needs were also purchased to support reading, math, science, social studies, computers, software, and staff development.

Teacher and Administrative Salaries (Fiscal Year 2009-10)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,210	\$42,017
Mid-Range Teacher Salary	\$72,930	\$67,294

Average Principal Salary (Elementary)	\$127,113	\$108,534
Average Principal Salary (Middle)	\$131,967	\$112,893
Average Principal Salary (High)	\$138,109	\$123,331
Superintendent Salary	\$252,906	\$226,417
Percent of Budget for Teacher Salaries	41%	38%
Percent of Budget for Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

California Physical Fitness Test Results (School Year 2010-11)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	4	3	2
Similar Schools	8	6	4

Academic Performance Index Growth by Student Group - Three-Year Comparison

Group	Actual API Change		
	2008-09	2009-10	2010-11

Socioeconomically Disadvantaged	1	-11	0
English Learners	-5	-6	3
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2011 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2011 Growth API at the school, LEA, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2010-11)

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	Yes

Federal Intervention Program (School Year 2011-12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

Tustin Unified School District and Thorman Elementary School provide high quality ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the state academic content standards. Thorman elementary school has implemented the following professional development opportunities as offered through the TUSD Effective Schools Conference as well as on site staff development opportunities:

- Response To Intervention
- Professional Learning Community training
- SMART Boards
- Illuminate
- DIBELS Next
- Special Education policies and SEIS
- Systematic English Language Development
- Differentiated Instruction
- Rocket Math
- Houghton Mifflin Mathematics
- Houghton Mifflin Medallion Edition English Language Arts
- "The Heart and Soul of Teaching" by CTA

Teachers utilize student assessment results to target instruction to better meet the individual needs of students and the district continues to train teachers in strategies to deliver a differentiated curriculum with depth and complexity and support training for the most current research based learning.
