BREAKOUT SESSIONS

Each session will be offered three times. See times below.

Session A (6:25 PM - 6:50 PM); Session B (7:00 PM - 7:25 PM); Session C (7:30 PM - 7:55 PM)

Title	Presenter(s)	Room	Description
Film and Television/ Digital Media Program/Drama Program	Chris Price Brianna Manasas	404	Learn more about the four course Film and Television Digital Media pathway and tour the television studio where Foothill Television happens daily. Learn about how the Drama program is connected with the Media Arts Pathway.
AP/Honors/CP Classes	Trevor Hershberger	119	What is the difference between AP/IB and Honors? What are CP classes? Learn how to help your child decide on the best pathway for them.
Transfers	John Emaguna Jeff Bonds	102	Are you transferring to FHS from private school, out of district, or out of your home school? Come get your questions answered about this process and hear about why it is a great decision to come to FHS!
AVID	Kim Dang Chanderika Subherwal	112	AVID (Advancement Via Individual Determination) is a college readiness program where intrinsically motivated students receive academic, social, and emotional support that will help them succeed. Join us to learn more about this opportunity, because AVID might be exactly what your student needs!
Engineering and Manufacturing	John Cooper Jason Paul	402/403	Learn about our nationally recognized Foothill Engineering and Technology/Manufacturing pathway and why it could be a good fit for your student. Tour the facilities and get your questions answered.
IB	Josh Hermanson Katie Montgomery	107	FHS is the only TUSD high school offering the International Baccalaureate Diploma Program. Learn about the program, the potential benefits for students, and what to expect from this pathway.
World Languages	Samantha Stein Jazmin Zelaya Kendra Fisher Derek Rueschenberg Martha Michalak	104	We have three strong World Language programs offered at FHS: Spanish, French, and Latin. Learn about each program, which program could be the best fit for your student, and how your student can earn their State Seal of Biliteracy.

IVC Dual Enrollment	Hannah Huynh (College and Career Counselor) IVC Faculty	123	FHS offers four opportunities for students to earn college and high school credits on our campus. Students can earn certificates in Business upon completion of that pathway. We also offer Communications, American Sign Language, and Dance History.
Music	Chelsea Dehn Tim Thomas	406	Does your student sing or play an instrument? Learn about our robust music program at FHS, the various options for students who join the program, and the benefits of the program for students.
A-G	Cassie Vargas (9th grade counselor) Julie McGinis	103	What are the A-G requirements for high school? How can you help support your students with fulfilling these requirements? Come learn how to guide your student successfully through high school.
Attendance	Kristina Cena (Social Worker)	101	Come learn about the importance of attendance. Showing up to school every day improves not only grades but mental health and self-confidence. Meet our amazing social worker!
Culinary	Keith Mosley	218	Our culinary program is unique to FHS. Meet the culinary teacher who brings it all to life, learn about the pathway, and tour the facilities.
Computer Science	Robert Hays Matt Goto	121	FHS offers multiple computer science courses within our pathway. Learn about all of the options available to students within this program.
Math	Katie Spangler	105	Learn about our TUSD and FHS math pathways for high school students, and which courses could be the best fit for your student.
Athletics	Rick McKinley Vince Namba	120	Come learn about our athletics programs on Foothill's campus. We have one of the strongest athletics programs in the county! Meet our athletics directors and hear about summer programs and requirements for students to participate in athletics at FHS.
ASB	Mike Lee Dave Waibel	122	Come learn about our robust ASB leadership class and how kids can get involved in school. Research shows that the more connected students feel to their school, the better experience they will have academically and socially. Meet our activities directors and hear about what this class has to offer your student.
Aeries/Schoology	TBD	106	Aeries is the platform used by TUSD as our student information system. Learn how parents can use this tool to keep track of student progress and grades. Did you know that you can create a parent account in Schoology? This is our learning management system where you can access your student's assignments and monitor their work completion. This session will help you to use these two tools to help support your student here at FHS.

Athletics Open House (5:00 PM - 6:00 PM)

Athletics Programs	Athletics Directors Coaches	Events Center	This will be an "Open House" style part of our night where all athletics programs will provide information and answer questions. Feel free to come when you like and stay as long as you want within the 60 minute time frame. The Athletics Open House will end before the Breakout Sessions listed above.
--------------------	--------------------------------	---------------	---

School Tours (6:00 PM - 8:00 PM)

Campus Tours Tour 1: 6:25 PM - 6:50 PM Tour 2: 7:00 PM - 7:25 PM Tour 3: 7:30 PM - 7:55 PM	Staff ASB Students	Quad	School Tours will run concurrently with Breakout sessions. There will be three opportunities to tour our campus, coinciding with the times of the Breakout sessions. If you would like to see our campus and get to know our school better, come to the quad at the start of the following times and follow the signs to join the tour.
---	-----------------------	------	---

Tailgate and Games (6:15 PM - 8:00 PM) *Concurrent with Breakout Sessions and School Tours

*Note: Tailgate and Games are informal; staff are at tables to answer questions, interact with students, and provide information about various courses. There will also be games to play at the tables and in the quad. If parents want to attend a Breakout Session, feel free to let your student remain in the quad to play and interact.

Tables: Content Areas; PTO and Ed Fund; Clubs; Counselors	FHS Teachers	Quad	This is an opportunity for you to meet our FHS teachers, ask questions, and get answers. Discover the incredible classes that FHS offers and options for students at each grade level. PTO and Ed Fund will also have a table where you can learn about parent involvement opportunities on our campus. We will have tables set up for our academic and service-oriented clubs on our campus to get more information about joining and the benefits these clubs have to offer. Finally, stop by and meet some of our counseling staff - ask questions and receive information on mental health and wellness.
