## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Helen Estock Elementary was named to honor an eighth grade history teacher in the district (1940-1961). The school is located on 12.4 acres near Old Town Tustin and was opened in 1964. In June 2016, nearby Lambert Elementary School was closed and 300 students, as well as nine teachers, became part of the Estock campus and community. Helen Estock Elementary educates 513 students in kindergarten through fifth grades, 92% whom are Hispanic/Latino, 56% English Learners, and 98% Economically Disadvantaged.

The Estock Elementary community is dedicated to mindfully and compassionately engaging, elevating, and supporting all learners. Our mission statement at Helen Estock Elementary School is to create a rich and rigorous learning environment that reaches all learners. We foster a safe and positive community where scholars take ownership of their learning, take risks, persevere, reflect, and collaborate. We, the parents, students, and staff, commit to empower each other on our journey to success.

Strong achievement for all students is the highest priority for Tustin Unified School District, therefore the 2020-21 focus goal, based on the results of our Comprehensive Needs Assessment, is to ensure Multi-tiered systems of support are developed and implemented to address academic, behavioral, attendance, and social-emotional needs of all students as they engage in a standards-based, rigorous academic program. Estock Elementary is committed to maintaining and developing strong/strategic Tier 1 instruction and Tier 2 systems of support for continuous improvement and achievement in all academic areas, for all students with a specific lens on at-risk subgroups, including English Language Learners, Students With Disabilities and Socioeconomically Disadvantaged. Based on the focused goal, there are twelve actions in place to increase/improve services for Estock Elementary. These actions, in the areas of staff, technology, parent education, resources, and professional development, are focused on increasing and improving core instruction, interventions, parent involvement, and student well-being.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** October 2020

Tustin Unified School District sets a high priority upon ensuring that high quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Tustin Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with the California Standards for the Common Core.

District K-8 textbooks in the subjects of English language arts, mathematics, history/social science, health, foreign language, visual and performing arts, and science have been adopted from those approved by the State Board of Education. The Tustin Unified School District Board of Education has adopted district textbooks in the subjects listed below. K-12 textbooks for mathematics, history/social science, science, English language arts (including reading), and foreign language are aligned with state-adopted content standards and state or national frameworks. All TUSD students, including all English learners, have textbooks\* and instructional materials, including science laboratory equipment at the 9-12 level, that are current and in good condition in accordance with Education Code requirements. All textbooks\* and instructional materials are provided in sufficient quantities for each student for use in class and to access from home. Due to the impacts of Covid-19, for the 2020-2021 School Year, Tustin Unified School District is committed to providing curriculum and instruction support for virtual learning for all student K-12 grade implementing instructional materials and curriculum provided through Florida Virtual School (FLVS). FLVS was purchased to provide licenses for access to a catalog of online courses for students K-12. Teachers may teach these courses with an unlimited number of students.

On October 12, 2020, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

## School Facility Conditions and Planned Improvements

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Helen Estock Campus is located on a 12-acre property which was opened in 1964. The campus currently houses approximately 515 students. The facility is clean and well maintained through the service of two custodians and the district maintenance staff. The staff, students, and parents take great pride in the appearance of our 50+ year-old school. The Helen Estock school community respects our property and makes every effort to keep the facility clean at all times. All areas were 100% and the overall rating was exemplary. On-going routine maintenance is performed as needs are identified.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	20	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

For the 2020-2021 school year, schools are operating in a hybrid model due to COVID-19 and state guidance on physical distancing. Although schools are operating in a new model, Tustin Unified and school leaders are working hard to ensure that there are many opportunities in the district for parental involvement through virtual SSC and ELAC meetings, virtual parent and community meetings, participation in parent surveys, support organizations, booster clubs, school site councils, DELAC and district-level advisory committees with the superintendent.

Parents at Estock Elementary School participate in our Parent, Teacher Association (PTA), School Site Council (SSC), English Language Advisory Council (ELAC), District English Language Advisory Council (DELAC), Gifted and Talented Education (GATE) Committee, and the Superintendent's Advisory Council.

Estock's main focus is to support and educate parents about the importance of education and the critical role parents play in academic success. Our Parent/Student/Teacher Compact emphasizes the partnerships between home and school, and is developed, signed and supported by the Estock school community. Parents are kept informed with bilingual school messages through SMORE and classroom newsletters and communications through Seesaw.

Estock Elementary uses categorical funds to support families by hiring a community liaison to outreach to our most underrepresented subgroups. The school principal and community liaison collaborate to create and maintain a strong link between the school and home for our most at risk students by working closely with the teaching staff and supportive adults in the lives of our students.

Our main focus is to increase participation in community services, non-profit organizations, and our own Parent Teacher Association. Currently, the Tustin Assistance League provides uniforms, Padres en Accion provides parent training in health and nutrition, Families Forward provides backpacks, as well as Christmas and Thanksgiving baskets, for our families, and the Community Action Partnership helps families receive food stamps. In addition, for this school year we have partnered with Shoes that Fit, providing free pairs of shoes, Second Harvest Food Bank, to provide a monthly free farmers market to our community, and Team Kids, which empowers our students to support our greater community through weekly challenges. These outreach efforts encourage parent involvement on our campus.

Additionally, the following opportunities available for parent involvement include: Author's Tea Celebrations, PTA membership, English Learner Advisory Council, School Site Council, room parents, Family Movie Nights, Friday folders, Virtual Lunch & Learn, Estock School News SMORE, classroom newsletters/Seesaw communication, Parent/Teacher Conferences in Fall and Spring, Guys/Gals Nights, STEM Night, Social Emotional Learning night, Open House, fundraising opportunities, and PTA events. Translators and interpreters are used as needed at events/activities.

For more information, contact the school office at 714-730-7390.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
<b>Suspensions</b>	0.5	1.6	2.7	2.1	3.5	3.5
<b>Expulsions</b>	0.0	0.0	0.1	0.1	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
<b>Suspensions</b>	0.8	1.3	2.5
<b>Expulsions</b>	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Date Last Reviewed by School Site Council (SSC): 10/28/19 (Pending approval 2/18/21)

Date Updated and Approved by SSC: 10/28/19 (Pending approval 2/18/21)

Date Discussed by Staff: 08/10/2020

Our School Safety Plan includes the following elements: Child abuse reporting procedures, disaster procedures, attestation plan for COVID-19, routine and emergency; suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; discrimination/harassment policy; provisions of any school-wide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; hate crime reporting; school safety goals and objectives. We run monthly drills and work closely with our Student Services department to ensure that we have updated procedures and practices in place to ensure school-wide safety.

### Types of Services Funded (Fiscal Year 2019-2020)

Estock Elementary School receives funding for categorical programs focused on ELL and At-risk students that are available at our school site in addition to base funding to support all students. These program funds include LCFF-EL and Schoolwide Title I Program funds. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial support throughout the year to support school-wide programs and events for students. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will support student learning and achievement through a Multi-Tiered System of Supports. The categorical funds are used to provide tiered and targeted supports or interventions for at-risk students in the areas of academics, behavior and social emotional learning, and absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Staff development is focused on targeting skill instruction and providing in-services on research based best practices in the core instructional areas related to writing, Professional Learning Communities (PLCs), supporting students at-risk for retention, supporting students who are English learners, building relationships with students and connectedness to school, and varied parent education. Personnel costs include Multi-Tiered Systems of Support (MTSS) staff to support student success, and a portion of the Community Liaison's salary to support connections with our parent community. Supplemental materials to address needs were also purchased to support English/Language Arts, Mathematics, English Language Development, Student Wellness and School/Community Partnerships.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	11	13

Tustin Unified School District provides dedicated time for professional development for all staff. Schools often provide additional professional development time based on specific school-site scheduling and budgetary decisions. The District provides intensive workshops in August during the week before school starts to provide teachers with new knowledge and enhanced skills for the upcoming year. This year was no exception, as staff and teachers had to prepare to teach as virtual instructors with a new platform and base curriculum to ensure equity and access for all students. Additional days of professional development occurred to prepare staff for Hybrid/Virtual learning. Staff development opportunities are also offered after school and by release time throughout the school year. Additionally, professional development is provided one non-student day in the fall and one afternoon per month after school. New teachers are provided an extensive new teacher training program throughout the year to support their implementation of effective instruction.

Estock staff development is designed to meet the Common Core State Standards with an emphasis on personalization and the use of classroom technology to support 21st-century teaching and learning. Teachers work in Professional Learning Communities (PLC) to analyze student data and develop site-based assessments to target student needs. In addition to professional learning around content standards, teachers continue to work on incorporating 21st-century teaching strategies into their daily instruction by utilizing resources found on the TUSD Curriculum Google sites provided by the Tustin Unified School District. Teachers access valuable resources on these sites, and through collaboration with colleagues, develop rich lessons that transform their classroom learning environments to meet individual student needs.

Each grade level utilizes District created phase and standards guides for the pacing of units of study in English language arts and Mathematics. These guides align with District assessments and allow for continuity of instruction. At the beginning of the school year, grade level teams create a yearlong projected path for reading and writing, which outlines specific units of study and tentative dates. This projection remains flexible and fluid, in order to meet specific student needs. Data is reviewed with each common assessment to adjust/provide targeted and individualized instructional support for students and adjust curricular projections.
