School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

The mission of Peters Canyon Elementary School is to promote academic, social, and technological excellence in a caring environment and to prepare students, in partnership with parents and our community, to be life-long, self-directed learners in a diverse society.

Peters Canyon serves 500 students in transitional kindergarten through grade five. Our campus represents diverse cultures and includes general education as well as special education scholars. We provide our scholars with a well rounded academic curriculum including Balanced Literacy, Math, Science, Social Science, English Language Development, as well as Physical Education, Music, and Art. Technology is integrated throughout the instructional day to support learning. PCE utilizes Positive Behavior Intervention and Support (PBIS) to create a positive climate on our campus. Scholars are taught expected behaviors across campus and they are practiced regularly. Staff acknowledges students regularly for exhibiting appropriate behaviors by giving digital badges.

Teachers and staff are committed to helping each child reach his or her individual best both academically and social-emotionally. Our CAASPP scores demonstrate our excellence in academics, however, we remain focused on continuous improvement in English Language Arts, Math, and Attendance as written in our School Plan. We utilize Fountas & Pinnell Running Record Reading Assessments three times each year, as well as the CAASPP interim assessments, and other formative assessments to measure student growth and determine instructional adjustments to be made. Struggling scholars are provided in-class intervention as well as extended intervention through our Multi-tiered System of Support. Social-emotional learning is critical to our mission and staff is diligent in fostering the concept of being "Bucket fillers" by being kind, inclusive, and caring toward others. Teachers give out "Bucket fillers" daily to acknowledge scholars for working hard, staying focused, helping others, displaying grit and perseverance, as well as other traits that build successful citizens. We also foster a growth mindset in our scholars by helping them understand that making mistakes is important to helping us learn both academically and socially.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October 2020

Tustin Unified School District sets a high priority upon ensuring that high quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Tustin Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with the California Standards for the Common Core.

District K-8 textbooks in the subjects of English language arts, mathematics, history/social science, health, foreign language, visual and performing arts, and science have been adopted from those approved by the State Board of Education. The Tustin Unified School District Board of Education has adopted district textbooks in the subjects listed below. K-12 textbooks for mathematics, history/social science, science, English language arts (including reading), and foreign language are aligned with state-adopted content standards and state or national frameworks. All TUSD students, including all English learners, have textbooks* and instructional materials, including science laboratory equipment at the 9-12 level, that are current and in good condition in accordance with Education Code requirements. All textbooks* and instructional materials are provided in sufficient quantities for each student for use in class and to access from home. Due to the impacts of Covid-19, for the 2020-2021 School Year, Tustin Unified School District is committed to providing curriculum and instruction support for virtual learning for all student K-12 grade implementing instructional materials and curriculum provided through Florida Virtual School (FLVS). FLVS was purchased to provide licenses for access to a catalog of online courses for students K-12. Teachers may teach these courses with an unlimited number of students.

On October 12, 2020, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

*textbooks may be digital or hard copy depending on textbook and adoption cycle

School Facility Conditions and Planned Improvements

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Peters Canyon Elementary takes pride in the campus and maintaining a safe and effective learning environment. School facilities are supported and maintained by both on site custodial personnel and district maintenance and operations. The Tustin Unified School District inspects each school on an annual basis to ensure the safety of all school members. The facility inspection upon which this report was generated resulted in a rating of "good" in all categories, with no action items for repair. Recent upgrades have been made to our campus. In 2018, our kindergarten play structure was replaced, and the parking lot was resurfaced. The PTO provided upgrades to our teachers lounge, technology, playground, garden, and drinking fountains/water bottle filling stations. In 2020, a solar panel structure was installed in the main parking lot.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: April 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	75	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

For the 2020-2021 school year, schools are operating in a hybrid model due to COVID-19 and state guidance on physical distancing. Although schools are operating in a new model, Tustin Unified and school leaders are working hard to ensure that there are many opportunities in the district for parental involvement through virtual SSC and ELAC meetings, virtual parent and community meetings, participation in parent surveys, support organizations, booster clubs, school site councils, DELAC and district-level advisory committees with the superintendent.

Parents at the school participate in activities such as PTO, Back to School Night, Open House, Fundraisers, Parent Education Nights, School Site Council, English Language Advisory Council, Superintendent's Advisory Council, and GATE Advisory Council. Parents can volunteer by contacting volunteer@peterscanyonpto.org.

For more information on how to become involved at the school, please contact Kristy Andre (principal) or Paul Huang (PTO president) at (714) 730-7540.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	2.7	2.1	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	1.3	2.5
Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Date Last Reviewed by School Site Council (SSC): 10/29/19 (Pending 2/18/2021)

Date Updated and Approved by SSC: 10/29/19 (Pending 2/18/2021)

Date Discussed by Staff: 9/8/2020

Our School Safety Plan includes the following elements: Child abuse reporting procedures, disaster procedures, attestation plan for COVID-19, routine and emergency; suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; discrimination/harassment policy; provisions of any school-wide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; hate crime reporting; school safety goals and objectives. We run monthly drills and work closely with our Student Services department to ensure that we have updated procedures and practices in place to ensure school-wide safety.

School personnel and students participate in monthly fire/earthquake and evacuation drills. Annually, staff members participate in training on the safety procedures, as well as, a crisis drill and mock lockdown to help prepare teachers in the event of an emergency.

Types of Services Funded (Fiscal Year 2019-2020)

In addition to base funding, Peters Canyon Elementary School receives LCFF-EL and site supplemental funds to support all students and student subgroups in academic achievement. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial support throughout the year to support school-wide programs and events for students. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these funds will support student learning and achievement through a Multi-Tiered System of Supports. The base and supplemental funds are used to provide tiered and targeted supports or interventions for at-risk students in the areas of academics, behavior and social-emotional learning, and absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Peters Canyon Elementary receives funding from the following state and federal categorical funds for programs and services: LCFF-Supplemental. Through the School Plan for Student Achievement, Peters Canyon Elementary has identified and allocated areas of funding to support student success. Current services funded through site categorical funds include professional development, ELD instructional materials, technology, and ELD instructional and assessment support.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	11	13

Tustin Unified School District provides dedicated time for professional development for all staff. Schools often provide additional professional development time based on specific school-site scheduling and budgetary decisions. The District provides intensive workshops in August during the week before school starts to provide teachers with new knowledge and enhanced skills for the upcoming year. This year was no exception, as staff and teachers had to prepare to teach as virtual instructors with a new platform and base curriculum to ensure equity and access for all students. Additional days of professional development occurred to prepare staff for Hybrid/Virtual learning. Staff development opportunities are also offered after school and by release time throughout the school year. Additionally, professional development is provided one non-student day in the fall and one afternoon per month after school. New teachers are provided an extensive new teacher training program throughout the year to support their implementation of effective instruction.

All Tustin Unified School District certificated teachers participate in professional development day annually. Peters Canyon receives on-site coaching by a full-time release teacher funded through the Cotsen Foundation. This full-time coach works specifically with five mentee teachers for two years. The principal, coach, and mentees participate in off-site training, attend conferences, collaborate and plan on a regular basis. The Cotsen Coach collaborates with our part-time Connect Coach to provide after school workshops in the areas of Balanced Literacy, mathematics, and science. All teachers are provided district staff development opportunities in Gifted and Talented Education, working with students with special needs, Social-Emotional Learning, mathematics, and technology. In prior years, staff development focused on mathematics instruction, refining Readers and Writers Workshop, and social-emotional learning. Areas for professional development were selected based on teacher survey and site, district, and state assessment data. Classified staff is provided with opportunities to grow professionally through our district Leadership Academy as well as a job alike staff development day each year.
