## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

The mission statement at Tustin Ranch Elementary (TRE) sets the tone for high academic standards for student achievement in a 21st Century learning environment. As the district introduced the Common Core State Standards (CCSS), TRE staff turned into trailblazers as we identified the need to shift our teaching practices to meet the rigor and high expectations of the new standards. With the use of technology as an additional instructional tool, teachers provide strong instructional practices. Our staff strengthens their instructional practices through powerful professional development and learning in a culture where teachers utilize a growth mindset to seek current research-based best practices. Teachers collaborate weekly to develop interactive approaches to teaching that invite students in a technology-enhanced learning environment. Our core belief is that all students can and will succeed. Teachers and parents work together in a collaborative culture to provide enrichment opportunities to support academics. TRE staff provides differentiated instruction within a caring and supportive campus climate with flexible learning spaces and integrated technology.

TRE is proud to be named an OC Tech Alliance Innovation School, a two-time CA State Gold Standard PBIS school, and two-time CA Gold Ribbon School. The top curricular goals for TRE are:

1. Provide a rigorous and challenging curriculum in English Language Arts and Mathematics through engaging strategies and technology integration
2. Provide instruction and intervention for students in Wellness and Social Skills to maintain and refine a strong positive school culture.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** October 2020

Tustin Unified School District sets a high priority upon ensuring that high quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Tustin Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with the California Standards for the Common Core.

District K-8 textbooks in the subjects of English language arts, mathematics, history/social science, health, foreign language, visual and performing arts, and science have been adopted from those approved by the State Board of Education. The Tustin Unified School District Board of Education has adopted district textbooks in the subjects listed below. K-12 textbooks for mathematics, history/social science, science, English language arts (including reading), and foreign language are aligned with state-adopted content standards and state or national frameworks. All TUSD students, including all English learners, have textbooks\* and instructional materials, including science laboratory equipment at the 9-12 level, that are current and in good condition in accordance with Education Code requirements. All textbooks\* and instructional materials are provided in sufficient quantities for each student for use in class and to access from home. Due to the impacts of Covid-19, for the 2020-2021 School Year, Tustin Unified School District is committed to providing curriculum and instruction support for virtual learning for all student K-12 grade implementing instructional materials and curriculum provided through Florida Virtual School (FLVS). FLVS was purchased to provide licenses for access to a catalog of online courses for students K-12. Teachers may teach these courses with an unlimited number of students.

On October 12, 2020, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

## School Facility Conditions and Planned Improvements

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Tustin Ranch Elementary School was built in 1995. The school site accommodates over 680 students. The TUSD maintenance and grounds personnel maintain our facility and grounds with care. Our school library currently has over 10,000 books. There is an adjacent Sports Park, which provides additional areas for Physical Education, surrounds the playground, and is utilized for other school-related events. Our award-winning facility is a model for technology with over 450 devices in classrooms, hallways, and in the STEAM lab. Solar panels were installed in the spring of 2020. We are also very proud to have Smart Boards, voice amplification systems, and document cameras in every classroom throughout the school. We are proud of our state of the art facility.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	57	N/A	62	N/A	50	N/A
Mathematics (grades 3-8 and 11)	59	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

## C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

For the 2020-2021 school year, schools are operating in a hybrid model due to COVID-19 and state guidance on physical distancing. Although schools are operating in a new model, Tustin Unified and school leaders are working hard to ensure that there are many opportunities in the district for parental involvement through virtual SSC and ELAC meetings, virtual parent and community meetings, participation in parent surveys, support organizations, booster clubs, school site councils, DELAC and district-level advisory committees with the superintendent.

Parents at the school participate in activities. There are many opportunities for our parents to become involved in the school virtually. The staff is eager for this support and collaboration because parent involvement supports student academic success. Each year, parents attend Back to School Night, two annual parent conferences, and Open House in the spring all virtually through Google Meet and Zoom. Parents are encouraged to support their child at home academically. Parents are encouraged to join in the school's "Paws for the Cause", our Parent Teacher Association (PTA) which works in close partnership with the school staff. The PTA also sponsors Family Nights throughout the school year, such as Family Reading, Family SEL, and Family Math night to promote a very positive home-school partnership. These events will also take place virtually. Our School Site Council is composed of both community and staff members and meets regularly to monitor the School Improvement Plan and student achievement. For more information on how to become involved at the school, please contact Principal Kathi Denny at (714) 730-7580.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	0.0	2.7	2.1	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.5	1.3	2.5
Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

---

Date Last Reviewed by School Site Council (SSC): 12/10/2020

Date Updated and Approved by SSC: 12/10/2020

Date Discussed with Staff: 8/11/2020 and 9/23/2020

Our School Safety Plan includes the following elements: Child abuse reporting procedures, disaster procedures, attestation plan for COVID-19, routine and emergency; suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; discrimination/harassment policy; provisions of any school-wide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; hate crime reporting; school safety goals and objectives. We run monthly drills and work closely with our Student Services department to ensure that we have updated procedures and practices in place to ensure school-wide safety.

### Types of Services Funded (Fiscal Year 2019-2020)

In addition to base funding, Tustin Ranch Elementary receives LCFF-EL and site supplemental funds to support all students and student subgroups in academic achievement. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial support throughout the year to support school-wide programs and events for students. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these funds will support student learning and achievement through a Multi-Tiered System of Supports. The base and supplemental funds are used to provide tiered and targeted supports or interventions for at-risk students in the areas of academics, behavior and social-emotional learning, and absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Tustin Ranch Elementary School's School Plan for Student Achievement (SPSA) identifies student need and addresses specifically how these funds will support student learning. The majority of these funds are used for staff development, instructional program support for our English Language Learners which includes materials, supplies, and technology to further meet the needs of all students.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	11	13

Tustin Unified School District provides dedicated time for professional development for all staff. Schools often provide additional professional development time based on specific school-site scheduling and budgetary decisions. The District provides intensive workshops in August during the week before school starts to provide teachers with new knowledge and enhanced skills for the upcoming year. This year was no exception, as staff and teachers had to prepare to teach as virtual instructors with a new platform and base curriculum to ensure equity and access for all students. Additional days of professional development occurred to prepare staff for Hybrid/Virtual learning. Staff development opportunities are also offered after school and by release time throughout the school year. Additionally, professional development is provided one non-student day in the fall and one afternoon per month after school. New teachers are provided an extensive new teacher training program throughout the year to support their implementation of effective instruction.

In prior years the teachers of Tustin Ranch have continued to refine their teaching practices based on Teachers College Units of Study for Readers and Writers Workshop as well as Cognitively Guided Instruction. Our dedicated teachers engaged in collaborative planning weekly. The principal provides staff development meetings that focus on Social-Emotional Learning, Reading and Writing Workshop, Cognitively Guided Instruction, Digital Storytelling, and differentiated instruction. We continued to meet weekly in Professional Learning Communities to plan and target instructional practices and spiral reviews, discuss technology and coding curriculum and integration, as well as student behavior supports. Teachers participated in professional development with our Instructional Coaches in-person and on-line throughout the school year. Many of our teachers attended district-led summer classes to build on their knowledge of these practices. The school leadership team meets monthly to discuss school-wide timelines, data, and systems to support student learning and positive behavior support systems.
