

TUSTIN CONNECT

K-12 BLENDED SCHOOL

FLEXIBLE RIGOROUS INNOVATIVE PERSONALIZED

KINDERGARTEN-12TH

Kindergarten-8th grade students receive grade-level instruction and meet with their peers 1-3 days a week in a classroom setting.

9-12 students receive a personalized plan and can access drop-in teacher support Monday-Thursday.

BLENDED LEARNING

Students access an innovative blend of online curriculum with virtual and in-person teacher instruction and support. This innovative model includes in-person learning opportunities in a classroom setting for all K-8 and select HS classes.

DUAL ENROLLMENT

K-12 families can be dual enrolled at another TUSD school or community college. This allows our students access to various programs, sports, and other extracurricular activities as well as the ability to earn credits for HS and college.

RIGOROUS CURRICULUM

Our HS is fully WASC accredited that also meets the rigorous standards for both NCAA and UC a-g requirements and live session science labs. Our K-8 curriculum is aligned with Common Core standards and Tustin USD's best practices.

SUPPORTIVE ENVIRONMENT

Our program is designed to strengthen the connection between home and school. Students have regular access to teachers. Our staff works with parents and students to provide a supportive learning environment that helps students thrive and succeed.

FLEXIBLE SCHEDULE

Our non-traditional setting provides students with various interests and needs the flexibility required in their weekly schedule. With our online blended independent study model, students engage in online learning while having access to certificated teachers.

CHANGE THE SETTING. CHANGE THE STORY. THRIVE.
