Tustin High Design Esquisse-Workshops on April 29 & 30

NTD Architecture will hold a design esquisse/workshop for the Tustin High School Master Plan from 9 a.m. to 5 p.m. Tuesday, April 29 and Wednesday, April 30 at Tustin High, 1171 El Camino Real.

The two-day event is a collaborative effort to create various design options for the campus Master Plan. The architectural team will use information gathered to date and receive additional input from staff, students, parents and the community as they develop design solutions and a collective vision for the Master Plan. For more information, call the TUSD Facilities Department at (714) 730-7327.
