New Foothill Aquatics Center Pool Plastered and Filled; Ribbon-Cutting Ceremony Scheduled

The new Foothill High School pool was plastered and filled with water last week (July 6-7). The new Aquatics Center has a 50-meter pool, new deck, shade structures, spectator seating, new boys' and girls' locker rooms, lighting, heaters and mechanical pumps.

The \$3.7 million project is part of the continuing modernization of Foothill High under the Measures G and L Program. Additionally, the Orange County Board of Supervisors allocated \$750,000 in 2008 towards the project. The new center was designed by NTD Architecture and built by Barnhart Balfour Beatty.

The Tustin Unified School District will hold a ribbon-cutting ceremony at 2 p.m. Monday, August 23.
