TUSD Holds Groundbreaking Ceremony for New Foothill Aquatics Center

The Tustin Unified School District is holding a groundbreaking ceremony for Foothill High School's new Aquatics Center at 10:30 a.m. Thursday, Jan. 7.

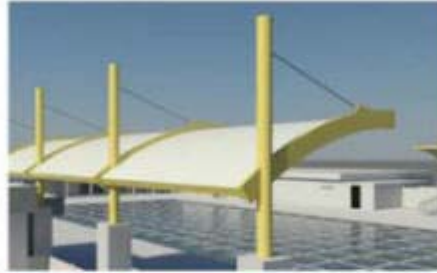

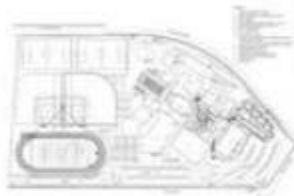

The Aquatics Center will include a 50-meter pool and new deck, shade structure, seating, lighting, heaters and mechanical pumps. The center was designed by NTD Architecture and is being constructed by Barnhart, Inc. It is scheduled to be completed by late summer.

The project will cost approximately \$3.7 million and is being funded through the Measure L campus modernization program. In addition, the Orange County Board of Supervisors has allocated \$750,000 towards the project.

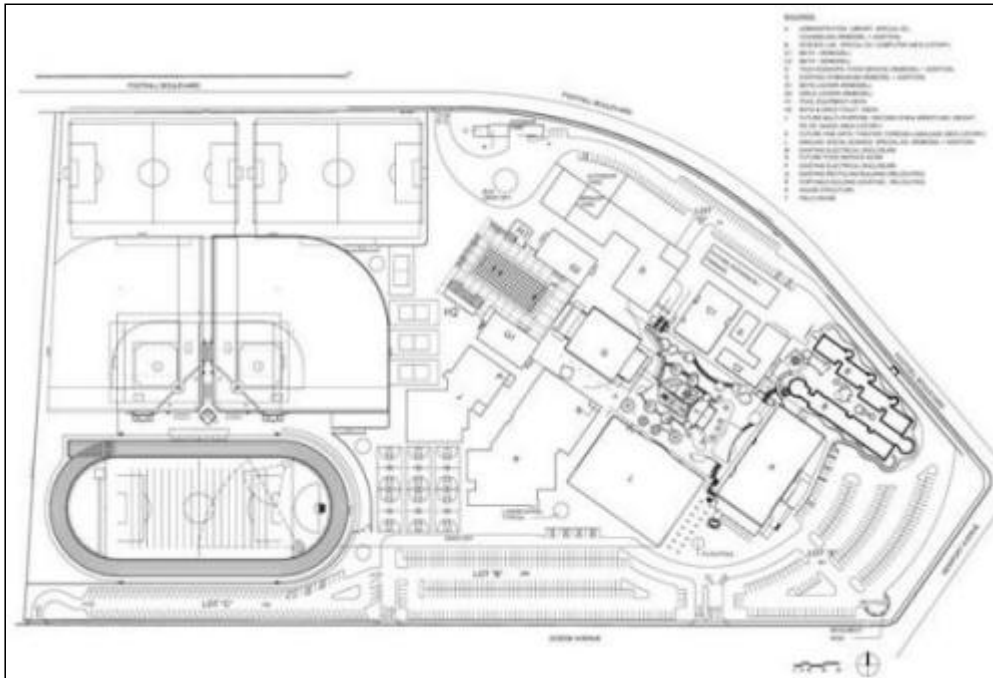

For more information, call the TUSD Communications Office at (714) 730-7339.
