TUSD holds Ribbon-Cutting Ceremony for Foothill High School's New Aquatics Center

The Tustin Unified School District will hold a ribbon-cutting ceremony for Foothill High School's new Aquatics Center at 2 p.m. Monday, August 23.

The Aquatics Center includes a 50-meter pool and new deck, shade structure, spectator seating, lighting, heaters and mechanical pumps. The center was designed by NTD Architecture and built by Barnhart Balfour Beatty.

The project cost approximately \$3.7 million and was funded through the Measure L campus modernization program. In addition, the Orange County Board of Supervisors allocated \$750,000 towards the project.

Foothill High opened in 1963 and its original 25-meter pool was built in 1964. The school is located at 19251 Dodge Ave.
