TUSD Holds Groundbreaking Ceremony for Tustin High School's new Humanities Building

The Tustin Unified School District is holding a groundbreaking ceremony for the new Humanities Building at Tustin High School at **11 a.m. Friday, February 19**. The school is located at 1171 El Camino Real in Tustin.

The two-story building is approximately 14,000 square feet and features 12 classrooms, a conference room, restrooms and an elevator. Classes will include history and social sciences, and the Model United Nations (MUN) program.

The building was designed by NTD/Little Architecture and will be built by Balfour Beatty Construction. The project will cost approximately \$6 million and is being funded through the Measure L campus modernization program.

The event is open to the public, but individuals must RSVP to the TUSD Communications Office at (714) 730-7339.
