School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: October 2018

On October 22, 2018, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Loma Vista campus is located on a 10-acre property and was opened in 1957 and has continuously served students since. As the student population increased, portable classrooms were added to the property. The facility is very clean and well-maintained through the service of two site custodians and the district maintenance staff. The measure G city bond modernized the facility in 2004 and meets the state requirements for handicapped. The PTO, grant funding and School Site Council have utilized funds to create a school garden, develop a school Innovation Lab, and modernize the Library in recent years.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	52.0	46.0	62.0	63.0	48.0	50.0
Mathematics (grades 3-8 and 11)	44.0	46.0	52.0	53.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Students with Disabilities	21	19	90.48	5.26

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

At Loma Vista Elementary our parents serve formally in many positions both for the Parent Teacher Organization (PTO), School Site Council (SSC) and English Language Advisory Committee (ELAC). Five parents serve on our SSC and give input regarding school management and five parents serve on our English Learner Advisory Committee (ELAC). Parents are an integral part of our school community and their daily presence on the Loma Vista campus serves as a testimony to their commitment to support the students, the school, and the community. Informally, our parents provide classroom support, financial support, academic support, and program support on a daily basis. Funding from the PTO provides assemblies both during and after school, enrichment programs, teacher supplies, school community social events and school improvements. Contact person for additional parent involvement information: PTO President Ana Elkins - 714.486.2411

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2018-19)

Date Last Reviewed by School Site Council (SSC): 9/6/18

Date Updated and Approved by School Site Council and TUSD: 11/15/18

Date Discussed by Staff: 8/9/18 and 12/5/18

Key Elements: The Loma Vista staff and parents have developed a comprehensive school safety plan for the safety and well-being of all students and staff throughout our regular school year and in the event of an emergency. We maintain first aid backpacks and lockdown classroom buckets and evacuation and emergency crisis plans are visibly posted in every classroom. The safety plan mandates emergency and earthquake preparedness drills and staff in-services in crisis response and systematic campus supervision. Our students understand the importance of safety drills and are commended for their adherence to our procedures during emergency drills. The key elements of the Safety Plan are outlined in 10 chapters: (1) Current Status of School Crimes, (2) Safe School Action Plan, (3) Disaster Procedures, Routine and Emergency, (4) Safe Ingress and Egress of Pupils, Parents and School Employees, (5) School Rules, Procedures for Discipline and School Wide Dress Code, (6) District Policies related to Suspension, Expulsion, Mandatory Expulsion and Zero Tolerance, (7) Notification to Teachers of Students Prior Discipline, (8) Child Abuse Reporting Procedures, (9) Discrimination and Harassment/ Bullying Policy, and (10) Safe and Orderly School Environment.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Loma Vista Elementary School receives categorical funding in the areas of Title I and Local Control Funding Formula - ELL. Rationales for expenditures must be provided, aligned, and approved prior to purchase and use. Programs purchased to support student learning include: Fountas and Pinnell's Leveled Literacy Intervention, Fountas and Pinnell leveled readers, Lexia digital reading intervention, Freckle Math, Starfall, Spelling City, BrainPop, ABCMouse and RAZ Kids. The school's School Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will support student learning.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Professional Development (Most Recent Three Years)

In regards to our educational programs and instruction, our dedicated teachers engage in collaborative planning two Wednesdays each month and each Tuesday during student PE time. Inside of these meetings teachers engage in different data analysis exercises around results yielded from: Math Expressions pre and post assessments, Math Common Assessments, Cognitively Guided Instruction (CGI) problem solving, Math Workshop, Lexia reading intervention, Running Records and CAASSP Interim Assessment Blocks (IAB). Data is utilized to determine needs for next steps with regards to appropriate instructional pathways for learning. Teachers determine where reteaching and interventions are needed from these data, as well. Once a trimester we have a staff Lab Day focused on the learning and implementation of the Math Workshop model and Number Sense Routines. The principal provides Staff Professional Development meetings that focus on the processes of Differentiation, Best First Instruction, CGI, English Language Development (ELD) support and differentiating instruction, Positive Behavior Intervention School-wide Support Systems, STEM (Science, Technology, Engineering and Math), data interpretation and analysis. Along with the full implementation of ELD, we continue to refine Multi-tiered Systems of Support in order to meet the needs of all learners in the area of language arts. We continue to work on implementing the systems and processes of a Professional Learning Community (PLC) school culture, as well. Monthly the Lead Learning Team (LLT) meets to discuss school-wide timelines, data, systems and collegial support strategies - with a driving purpose of impacting student learning. Teachers are supported with opportunities for learning walks, additional resources, and TUSD professional development opportunities. Teachers are also provided the support of a TUSD Connect-Curriculum Coach as they strive to implement rigorous standards, using highly engaging strategies, supported with meaningful technology experiences for students. The professional development focus each year centers on the Signature Practice of the school.
