School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Myford's Mission

Maximizing Student Achievement and Social Responsibility with High Expectations for All.

Myford's Vision

High Expectations for Success

- All teachers believe all students can learn.
- All teachers differentiate lessons using research- based strategies including, but not limited to, GATE and SDAIE.
- Teachers believe that some students need multiple opportunities to master standards, thereby providing extended learning opportunities during the day or before or after school.
- Teachers provide designated and integrated ELD for EL students
- Teachers have a support system of academic “coaches” who provide resources and intervention strategies.
- Teachers introduce, model, and positively reinforce social responsibility using the character traits.

Instructional Leadership

- The principal acts as an instructional leader and communicates the school mission to staff, parents, students, and community.
- The principal and teachers use various communication tools such as email, website, Friday Folders, newsletters, Twitter (with text alerts), Haiku, and Connect-Ed to communicate with parents.
- The principal visits classrooms and gives honest/constructive feedback.
- The teachers model teaching strategies to peers through peer observations and professional development for the staff.
- Teachers and staff attend professional development.
- Staff meetings are timely and productive.
- Teachers provide opportunities for student leadership (Myford Mentors include: Student Council, PAL,TECHsperts, Robotics, Utility Crew, and FRIENDS Club).

Frequent Monitoring of Student Progress

- Teachers reflect on the previous year’s assessments to create goals for the upcoming year.
- Teachers assess continuously, reflect collaboratively, and use their analysis to guide instruction.
- Teachers meet on a regularly scheduled basis to plan, reflect, assess, and apply.

Opportunity to Learn and Time on Task

- Teachers reinforce content standards using computer programs and web-based technology to promote student engagement.
- Grade level teams utilize pacing guides for planning instruction.
- Student engagement opportunities are maximized during instruction.
- Students are participant/observers in content-based assemblies.
- Office and administration limit the number of interruptions during the school day to maximize student learning.

Safe and Orderly Environment

- Students understand the rules of the school, and receive clear and consistent rewards and consequences.
- Standardized playground rules are reinforced at all times.
- Disaster duty assignments and procedures are provided and reviewed with all staff, including, but not limited to emergency drills practiced monthly.
- Students understand and adhere to the components of being a good citizen in all situations during the school day.
- The physical condition of the school is clean and in good working condition.
- Students take responsibility for keeping the school clean, and are an integral part of the recycling program on campus.

Home-School Relations

- Parents play an active role in helping the school to achieve its mission.
- Parents receive timely and consistent communication regarding academic and social progress of their children.
- Parent involvement on campus is valued and a vital part of the educational program.
- Before and after school activities support the school's mission.

Myford's Goals

#1: By June 2018, EL and SED students will increase in overall ELA and Math achievement by 3% as measured by the CAASPP assessment.

#2: By June 2018, Myford will decrease the number of minor referrals by 5% and number of students being referred by 5% as measured by SWIS data.

#3: Myford will have ongoing parent/community partnership opportunities in order to build strong, collaborative relationships.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Myford Elementary School officially opened its doors for students' first day of school on September 4th, 2001. The 57,000 square foot five-building campus includes 21 classrooms, 7 portable classrooms, and a multipurpose room. Each of the 28 classrooms is equipped with a SMART Board, or interactive whiteboard. The SMART Boards provide teachers and students with the technology needed to keep instruction engaging and interactive for students. In addition, each classroom is equipped with a document camera and a sound amplification system. There is a large, grass-covered sports field that serves as a hub of all athletic activities. A Solar Panel shade structure has recently been installed over a portion of the field.

The facilities are maintained by one full-time head custodian, one full-time night custodian, and one part-time night custodian. The Myford Elementary staff and students strive to maintain a clean and orderly learning environment and participate in school wide procedures which address these issues. The custodians and administration regularly assess school conditions, and repairs are performed in a timely manner. Students are given "PAWS Pride Tickets" for taking responsibility for the cleanliness of the school.

Myford's annual inspection received a rating of "good" in all categories, and an overall rating of EXEMPLARY.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	79	74	62	62	48	48
Mathematics (grades 3-8 and 11)	74	72	52	52	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	371	368	99.19	74.18

English Learners	84	83	98.81	68.67
Students with Disabilities	38	37	97.37	21.62
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	14.9	25.4	43

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

All Myford parents are provided with a multitude of opportunities to be involved at our school. Parents are active in school improvement efforts through the elected School Site Council and English Language Advisory Committee. Teachers give parents volunteering options at the beginning of the year at their "Back to School" information night. These volunteer opportunities range from helping with small groups in the classroom to assisting with the preparation of materials for classroom use. Teachers are aware that some parents are unable to come into the classroom to devote their time, so many teachers give parents the opportunity to help by taking things home to prepare for the class. The Myford PTO is another way that interested parents can get involved. The PTO encourages parents to become involved by either becoming an active member on the PTO Board, or by volunteering time to work on or chair one of the many PTO committees that help to make Myford the school that we are today. The PTO sponsors many activities throughout the year in which parents can participate (i.e. Family Nights, Book Fairs, Restaurant Nights). Parent Workshops put on by the staff keep parents informed of school activities and the curricular program. Awards assemblies and weekly Flag Salute gather parents together as a community to celebrate and recognize student effort and achievement. Classroom Writing Celebrations include parents in celebrating students' writing.

School Safety Plan (School Year 2017-18)

Date Discussed by Staff: August 17, 2017

Date Last Reviewed by School Site Council (SSC): December 5, 2016 (Pending review February 5, 2018)

Date Updated and Approved by SSC: December 5, 2016 (Pending approval February 5, 2018)

Our School Safety Plan includes the following elements: Child abuse reporting procedures; disaster procedures; routine and emergency (SEMS); suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; sexual harassment policy; provisions of any schoolwide dress code; procedures for safe ingress and egress; safe and orderly environment; rules and procedures on school discipline and dress code; school safety goals and objectives.

The Myford staff works diligently to provide a safe environment for all students. All visitors must enter through the front office where they sign in and receive a visitor's pass while on campus. Myford is in year five of PBIS training, which is a positive behavioral intervention program that focuses on giving student positive feedback for adhering to behavioral expectations. Noon duty supervisors are trained to work with students during lunch recess. They are clearly identified by their orange safety vests, and are equipped with training in how to handle playground incidents in a fair and consistent way. The PTO has provided us with funding to secure emergency preparedness supplies for all students on campus. These supplies are organized and housed in designated areas on campus in the event of an emergency. School personnel work closely with the Irvine Police Department to ensure that our students are safe at school, as well as on their way to and from school. Staff take part in monthly fire, earthquake, and lock down drills to prepare students in the case of an emergency.

The following are the safety goals put into place for the 2017-2018 school year:

Goal #1: By June 2018, students will demonstrate improved behavior school wide, as a result of exposure to school wide expectations and awards through PBIS.

Goal #2: By June 2018, a team of teachers will participate in the Tier 2 PBIS training for school wide behavioral expectations.

Goal #3: By June 2018, all minor violations (Think Slips) will be entered into SWIS and major violations (Discipline Referrals) will be entered into Aeries. Data will be shared at staff meetings as a means of analyzing data to improve behavioral expectations.

Additional elements of our safety plan include child abuse reporting procedures, disaster procedures, suspension, expulsion, procedures for notifying teachers of dangerous pupils, sexual harassment policy, school-wide dress code, procedures for safe ingress and egress, safe and orderly environment, and student discipline.

Types of Services Funded (Fiscal Year 2016-17)

Myford receives money from LCAP funding. This money is used to further support the instructional program for our English Language Learners and includes materials, supplies, and technology to further the needs of these students. This funding also provides training and materials for Systematic ELD instruction. LCAP funds also help to provide additional support personnel needed to support struggling students.

Myford also receives funding through the City of Irvine, which helps to fund staff development, field trips, instructional materials, and support personnel. The funding helps to pay for support personnel who work to support our differentiated reading, writing, mathematics, and EL program. The additional support helps to reduce teacher-student ratios and provides extra support for students and teachers in order to meet student needs.

Additionally, the Myford PTO provides Myford with funds through the annual membership drive. These funds further support our educational program through educational assemblies, Art Masters, field trips, and much more.

Professional Development (Most Recent Three Years)

Teachers are given the opportunity to participate in Professional Development through district offerings, as well as through the school site. Summer workshops are in place so that teachers can sign up to attend trainings of their choice. A select group of teachers participated in GATE Training, Readers Workshop Summer Institute, a Coaches' Readers Workshop Institute, attended a Social Thinking conference, a CUE Conference, and a Mindfulness Workshop.

From 2010, several teachers were selected to participate in "The Art of Teaching" grant through the Cotsen Foundation which provided extensive professional development. These teachers are now given further alumni opportunities to continue becoming more artful teachers. All teachers are also given opportunities to participate in observations and trainings centered around Writers Workshop, Readers Workshop, and Cognitively Guided Instruction. All teachers participate in Balanced Literacy, technology, and math training throughout the school year. Professional Development around the area of Balanced Literacy is strengthened through our partnership and work with Growing Educators. This supports further growth in best practices. Additional professional development opportunities throughout the school year are determined by teacher surveys in conjunction with assessment data. On selected Wednesdays each month, time is allotted for teachers to participate in these learning opportunities to promote professional growth.
