School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

The mission of Peters Canyon Elementary School is to promote academic, social, and technological excellence in a caring environment and to prepare students, in partnership with parents and our community, to be life-long, self-directed learners in a diverse society.

Peters Canyon serves 500 students in transitional kindergarten through grade five. Our campus represents diverse cultures and includes general education as well as special education scholars. We provide our scholars a well-rounded academic curricula including Balance Literacy, Math, Science, Social Science, English Language Development, as well as Physical Education, Music, and Art. Technology is integrated throughout the instructional day to support learning. Our scholars attend the Innovation Station weekly, where they have the opportunity to create, collaborate, communicate, and think critically through a variety of STEM activities. They practice coding skills, make movies, build circuits, and so much more. PCE utilized Positive Behavior Intervention and Support (PBIS) to create a positive climate on our campus. Scholars are taught expected behaviors across campus and they are practiced regularly. Staff acknowledge students regularly for exhibiting appropriate behaviors by giving "Golden Tickets" which can be used in our Scholar Store each month. Our scholars have the opportunity to participate in FRIENDS Club, a mentoring opportunity for our general and special education scholars, Technology Team, Student Council, and Robotics.

Teachers and staff are committed to helping each child reach his or her individual best both academically and social-emotionally. Our CAASPP scores demonstrate our excellence in academics, however we remain focused on continuous improvement. We utilize Running Record Reading Assessments three times each year, as well as the CAASPP interim assessments, and formative assessments to measure student growth and determine instructional adjustments to be made. Social emotional learning is critical to our mission and staff is diligent in fostering the concept of being "Bucket fillers" by being kind, inclusive, and caring toward others. Teachers give our "Bucket fillers" daily to acknowledge scholars for working hard, staying focused, helping others, displaying grit and perseverance, as well as other traits that build successful citizens. We also foster a growth mindset in our scholars by helping them understand that making mistakes is important to helping us learn both academically and socially.

Peters Canyon Elementary School offers a variety of extra-curricular and enrichment opportunities including after school volleyball, basketball, robotics, art, scouting, and before/after school child care at an on-site Child Development Center.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Peters Canyon Elementary takes pride in the campus and maintaining a safe and effective learning environment. School facilities are supported and maintained by both on site custodial personnel and district maintenance and operations. The Tustin Unified School District inspects each school on an annual basis to ensure the safety of all school members. The facility inspection upon which this report was generated resulted in a rating of "good" in all categories, with no action items for repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	85	80	62	62	48	48
Mathematics (grades 3-8 and 11)	80	76	52	52	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Socioeconomically Disadvantaged	16	16	100	25
English Learners	32	32	100	62.5
Students with Disabilities	27	24	88.89	25

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	4.3	26.1	55.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The involvement of family and community is paramount to student success. Peters Canyon Elementary School is committed to maintaining an active partnership with parents and our community, with a focus on what is best for children. The entire Peters Canyon Elementary School community works collaboratively as a knowledgeable, enduring support system to enable every scholar to become a lifelong, self-directed learners prepared for the twenty-first century.

Our PTO is an active presence on campus and a group always looking for additional volunteers. Parents are invited to participate in School Site Council Meetings, English Learner Advisory Council Meetings, Principal Coffee Chats, Back to School events, Open House, Fundraisers, Family Nights, and various events held on campus throughout the year. Parents are encouraged to call the school office or view our website to obtain date specific information. Office: 714-730-7540 <http://www.tustin.k12.ca.us/peters-canyon>

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-18)

Date Last Reviewed by School Site Council (SSC): 10/17/17

Date Updated and Approved by SSC: 10/17/17

Date Discussed by Staff: 8/17/17

To ensure a safe and supportive environment for all school members, Peters Canyon has established a comprehensive School Safety Plan that includes the following: Disaster procedures, routine and emergency (SEMS); suspension, expulsion, or mandatory expulsion recommendations; procedures to notify teachers of dangerous pupils; child abuse reporting procedures, sexual harassment policy, school-wide behavior plan and dress code, procedures for safe ingress and egress; and school safety goals. The School Safety Plan is revised annually to ensure timely and updated materials and procedures. School personnel and students participate in monthly fire/earthquake and evacuation drills. Annually, staff members participate in training on the safety procedures, as well as, a crisis drill and mock lock down to help prepare teachers in the event of an emergency.

Professional Development (Most Recent Three Years)

All Tustin Unified School District certificated teachers participate in professional development day annually. In 2014, teachers attended three days of Balanced Literacy Training as well as one day of training in the area of mathematics. In 2015, teachers attended two days of training in the area of reading assessment and intervention using the Balanced Literacy Model. In addition, each school site plans for additional staff development specific to the school site and the scholars' needs. Peters Canyon has allocated additional funding for staff development opportunities in the Single Plan for Student Achievement in the areas of technology training, ELD, and math. On site coaching is also provided to teachers through our part-time Connect Coach. In 2016-17, teachers participated in staff development in the following areas: Emergency CPR, Cognitively Guided Instruction, Readers Workshop, and technology integration through after school workshops, off site visitations, coaching, and professional readings. In 2017-18, teachers participated in professional development in Cognitively Guided Instruction through on site coaching, co-teaching, off site visitations, and professional readings.
