From the Aetna home page, scroll down the page until you can click on ‘Find a doctor’.

For personalized results, you may log in or register for Aetna Navigator. To continue to the public provider directory, click on ‘Find doctors, dentists and hospitals in our plans’.

On the next screen, select ‘Through an Employer or Organization’.
To search by provider type, click on the appropriate link under the category of Healthcare Professionals. If you know the name of the dentist you want to look up, you can also type that right into the ‘Who or what are you looking for?’ field.

Enter a zip code or city and state, and then click ‘Search’.
Select ‘Dental PPO/PDN with PPO II’ under the subcategory of ‘Dental PPO/PDN with PPO II network’ from the dropdown box and click ‘continue’.
On the search results page, you will find a list of providers.

Provider information contained in this directory is updated 6 days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Please check with the provider before scheduling your appointment or receiving services to confirm he or she is participating in Aetna’s network.
