GPA & Rank

In Accordance with Tustin Unified School Board policies, Beckman High School does not rank students.

Decile range is calculated using total 9-12 weighted academic GPA.

All grades, including repeated ones, are reflected on the student's transcript. If a course is repeated for remediation, the higher grade is used to calculate the GPA.

Profile

2017-2018

Community

Irvine, California was incorporated on December 28, 1971, and is one of the nation's largest planned urban communities. It is both a city of 266,000 and a suburb of Los Angeles. Most of the residents are engaged in academic, business, managerial, or professional work. The Tustin Unified School District was established July 1, 1972, however the legacy of Tustin's schools dates back to the 1860's, two decades before Orange County became independent of Los Angeles.

School

Arnold O. Beckman High School (Beckman) opened as a new public high school in August 2004 with both freshman and sophomore grade levels. Beckman located in the city of Irvine, rests in the heart of Orange County. Beckman services the residential communities of Tustin, Irvine, and Santa Ana. The first graduation took place June 14, 2007. Beckman proudly educates a diverse ethnic and socioeconomic community. The community is an active and supportive one with tremendous involvement in the school's many support organizations.
