

VOCAL MUSIC

The students of the Vocal Music Department explore and perform music of a variety of genres. Students experience the wonder of choral singing through a collaborative process. Both The cho-ral students perform throughout the school year providing an artistic touch to the various events here at THS. The vocal students perform a Winter & Spring Concert, a Valentine Concert as well as performing in the Tustin Community. They also perform at the winter and International Assemblies run by the

Tustin High Associated Student Body. One of the highlights of the year is the collaboration with the Theatre Arts Department and the Dance Department when all the talents are combined for a Spring Musical. The musicals are chosen by the assessment of the student talent and the availability of the production. This is an outdoor event where the community can experi-ence the wonderful talents of the THS students in the performing arts programs.

CHORALE

The Tustin High School Chorale is composed of students who work to develop the voice through proper vocal production. The music and instruction is designed to create a positive atmosphere that allows students to take risk and perform individually. Proper vowels as well as voice placement are used to create a warm and pure tone that helps to communi-cate the composition so that the audience not only hears the sounds, but feels the message the composer is trying to communicate. This class meets the A-G requirement for Fine Arts.

MUSICAL PRODUCTION The Chorale Music Department works collaboratively with the Theater Arts Department to bring a professional musical production to the Student Plaza Stage biennially. The combined forces allow for a collaborative work that supports student learning through a team element. All the choral members are part of the cast and play a part of the big production numbers that support the story line of the show. Being a part of a full stage will bring memories that last for a lifetime. Come and enjoy the world of singing and performing! There is nothing like it!

If you are interested in becoming a member of the Tustin High Vocal Music Program, please email the THS Vocal Music Director, David Henson Peay at: dpeay@tustin.k12.ca.us
